

## LIFESTYLE FURNITURE

**Give your bowlers style and comfort they'll come back for.**

Our Lifestyle line of furniture offers the best of all worlds: incredible comfort and functionality for your bowlers; supreme durability for the businessperson in you; plus attractive eco-chic styling.

### Enjoy:

- Total durability delivering a great ROI
- Comfort that keeps customers coming back
- Eco-smart designs with environmentally friendly finishes

### Features & Advantages:

#### Cool, Contemporary Styling

Our Lifestyle line is designed for bowling centers and entertainment facilities that want a warmer, higher-end look and feel than traditional seating. Your customers will appreciate the difference.

#### Excellent Durability

We're talking solid wood veneer seating, plus heavy-gauge aluminum and steel frames. Powder coat finishes. Stain-resistant upholstery with high-density commercial-grade materials for longevity. We're talking more for your money.

#### Lasting Comfort

Lifestyle seat backs are a full 15.5" tall with contoured bottoms for superior comfort. And upholstered pieces offer thick foam padding for support. Your customers will want to relax and stay awhile.

#### Rich Color Selection

These sofas and stools come in a palette of eye-catching colors, while seating and tabletops are available in rich mahogany or crisp maple to go with your existing décor, or give your place a sophisticated new look.
